## Cordoba Minerals Provides Update on Proposed Sale of the Alacrán Project

VANCOUVER, BRITISH COLUMBIA – Cordoba Minerals Corp. (TSXV:CDB; OTCQB:CDBMF) (“Cordoba” or the “Company”) announces that not all conditions have been satisfied by the outside date of December 31, 2025 in connection with the sale of the Company’s remaining 50% interest in the Alacrán Project, along with all of the Company’s other exploration assets in Colombia and certain accounts receivable (the “Transaction”) to be completed pursuant to the framework agreement (the “Framework Agreement”) dated May 8, 2025. The Framework Agreement has not been terminated and remains in effect. Cordoba will continue to pursue completion of the conditions required for closing the Transaction while considering all alternatives for the advancement of the Alacrán Project.

For more information, please refer to the Company’s previously issued news releases dated May 8, 2025, June 3, 2025, August 19, 2025, and September 15, 2025, the Company’s Management Information Circular dated August 11, 2025 and the Framework Agreement, which are available on the Company’s SEDAR+ profile at [sedarplus.ca](https://www.sedarplus.ca).

### About Cordoba

Cordoba Minerals Corp. is a mineral exploration company focused on the exploration, development and acquisition of copper and gold projects. Cordoba is jointly developing the Alacrán Project with JCHX Mining Management Co., Ltd., located in the Department of Cordoba, Colombia. Cordoba also holds a 51% interest in the Perseverance Copper Project in Arizona, USA, which it is exploring through a Joint Venture and Earn-In Agreement. *This news release includes “forward-looking statements” and “forward-looking information” within the meaning of Canadian securities legislation. All statements included in this news release, other than statements of historical fact, are forward-looking statements including, without limitation, statements with respect to the Transaction, including the completion of the Transaction, the Framework Agreement remaining in effect, and advancement of the Alacrán project. Forward-looking statements include predictions, projections and forecasts and are often, but not always, identified by the use of words such as “anticipate”, “believe”, “plan”, “estimate”, “expect”, “potential”, “target”, “budget” and “intend” and statements that an event or result “may”, “will”, “should”, “could” or “might” occur or be achieved and other similar expressions and includes the negatives thereof.*

*Forward-looking statements are based on a number of assumptions and estimates that, while considered reasonable by management based on the business and markets in which Cordoba operates, are inherently subject to significant operational, economic, and competitive uncertainties, risks and contingencies. There can be no assurance that such*

*statements will prove to be accurate and actual results, and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's expectations include title to mineral property risks; reliability of Mineral Resource and Mineral Reserve estimates; going concern risks; the availability of capital and financing generally for the development of the Alacrán Project; a deterioration of security on site in Colombia or actions by the local community that inhibits access and/or ability to productively work on site; community relations and construction activities; fluctuations in the price of metals and the anticipated future prices of such metals; stock market volatility; unanticipated changes in general business and economic conditions or conditions in the financial markets; certain shareholders exercising significant control over the Company; foreign entity risks; loss of key personnel; negative operating cash flow; changes in interest or currency exchange rates; risks related to foreign operation including changes to taxation, social unrest, and changes in national and local government legislation; regulatory risks; uninsured risks; environmental risks; competition; risks related to participation in joint ventures; legal disputes or unanticipated outcomes of legal proceedings; changing global financial conditions; force majeure; conflicts of interest; cyber security incidents; and the potential effects of international conflicts on the Company's business; human error, and other exploration or other risks detailed herein and from time to time in the filings made by the Company with securities regulators, including those described under the heading "Risks and Uncertainties" in the Company's most recently filed MD&A. The Company does not undertake to update or revise any forward-looking statements, except in accordance with applicable law. Readers are cautioned not to put undue reliance on these forward-looking statements.*

*Neither the TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accept responsibility for the adequacy or accuracy of this release.*
